

Jules Language courses starting October 2018

Jules Maastricht offers classes of Arab, Chinese, Dutch, English, French, German, Italian, Japanese, Portuguese, Russian and Spanish.

All European language courses use methods based on the communicative learning style (CLT). The student is challenged to find out about a grammar structure step by step by making exercises together with fellow students. The teacher is always there to guide.

This learning style is different from what we all experienced in language class in highschool. There the teacher explained grammar, and the students made exercises.

We invite you to get to know this learning style and you'll see it is even more fun to learn a language this way!

During our courses you will have a class of two hours every week during 10 weeks.

All studybooks can be purchased at Studystore, Tongersestraat 12 A in Maastricht.

For questions about the methods, books, and education in general, please contact me at Sophia@Jules-Maastricht.com

Hope to see you in one of our language courses!
